Linen Guidelines

50/50 & 80/20 Polycotton Percale 200 Thread Count

The poly percale range boasts a luxurious feel with a high thread count of 200. Ensuring maximum comfort for your guests. These items are also easy care, so require only minimal ironing for the best possible presentation . Create a warm and inviting sleep haven for your guests by investing in this classic percale range. The polycotton constructed covers have a plain and simple design that offer a classic and traditional look . A high thread count is a guarantee of luxurious softness and comfort, but these sheets are also easy to launder and highly robust for frequent use in busy hotels and other hospitality establishments.

100% Cotton Percale 200 Thread Count

Our 200 thread count, 100% cotton range has a lightweight construction. Ideal to offer crisp comfort on summer nights and cool comfort in warm climates. This range features a pure cotton 100% percale construction, providing a luxuriously smooth feel for your guests time after time, after every wash, to promote a healthy, natural night's sleep. We ensure our items are slightly over-sized, making it easy to fit and allowing for slight shrinkage, typical of this finely woven cotton thread.

100% Cotton Percale 300 Thread Count

Help your guests to sleep easily with our top end 300 thread count cotton bed linen. Crafted from the finest 100% cotton in a fine 300 thread count construction the fine thread produces a cool and smooth feel that offers a sleep friendly environment. Known for its excellent quality feel and sleep comfort this cloth is used in the top hotels around the world. This range represents an excellent way of providing 100% cotton bedding to your guests. With cavelli's usual outstanding attention to detail, each crisp and clean duvet cover, pillowcase and sheet will keep guests cool and comfortable. This is the number one most popular range to style in oxford finishes with one row satin cording. Your guests will love the luxurious feel and excellent quality.

60/40 Polycotton 250 Thread Count in Thin Stripe

Our dobby stripe fabric in 250 thread count, features a handsome satin stripe in 0,4cm width, and are suitable for both contemporary and traditional decors. Made from 100% cotton fabric the striped linen is available in white for coordinating duvet covers and flat sheets and pillow cases. This fabric is easy to care for as the 40% polyester mix allows for easy ironing and stays smooth on the bed.

Bed Sheets, Duvet Covers & Pillowcases

Our collection of linen sheets, duvet covers & pillow cases are 5-star hotels approved, and have stood the test of stringent quality measures. Available in a selection of fabrics, these come in various shades and designs, and are suitable to accommodate a variety of tastes

A duvet is only as good as its filling. The Cavelli linen duvets come in a variety of sizes, and are crafted from fillings made from natural fibres such as duck or goose down, and synthetic microfiber. These natural duvets have the benefit of being both durable and naturally breathable keeping you warm & cozy. The synthetic fibre filling duvets are designed to provide the feel and comfort of a natural down duvet which combine soft textures and weightless warmth, and are hypoallergenic
